FUNDRAISING 2008 – THE ENTERTAINMENT BOOK

Last year the Club raised funds by the sale of The Entertainment Book. The Club has decided to participate again this year.

Many of you will already know about The Entertainment Book. Entertainment Books are distributed through fund-raising groups and organisations to help raise funds. The Entertainment Book was first created in 1962 and has been developed for major cities throughout the world.

The book contains hundreds of offers from Perth entertainment places eg. meals and movie passes (buy one get one free), 25% off many restaurants and 50% off accommodation throughout Australia.

The price of the book is \$65.00 each. Using the book only 2 or 3 times covers this price. If you wish to see a copy of last year's book to see what you actually get, please see Jenny Johnston.
