UPDATE FROM THE COMMITTEE June 24th

Play and Stay Barbecues are back. Keeping up hygiene standards

Dear Members,

We are now preparing for Phase 4 of the WA Government's COVID-19 Road Map in which all existing gathering limits are removed although we must stay within the 2sqm rule at the clubhouse. This is from this Saturday - 26th June.

There is no evidence of community transmission in WA, but we must work hard to continue to keep everyone safe from the possibility. We must keep up physical distancing measures. Do use the hand sanitizer or wash your hands on arrival and after play and continue to keep your distance from fellow players between sets and whilst queuing and whilst socialising after play. Bring ATM cards to purchase from the bar.

Thank you to the Captains, Duty Captains and Bar Volunteers for becoming Hygiene certified and undertaking the additional cleaning of all surfaces as part of their normal roster duties - the new normal.

The committee has decided we can open the 1st Thursday and 3rd Saturday play and stay BYO barbecue evenings again! Thursday July 2nd and Saturday July 18th will be the first such gatherings. Social play will continue to be organised as usual on the Saturday and Sunday afternoons and Tuesday and Wednesday mornings.

Thank you for your support.

Anne Williams
