

Champion of Champions

The Champion of Champions event is set to again become one of the most prestigious events on the Tennis West calendar, with champions from each affiliated tennis club pitted against each other in a knockout battle for supremacy.

Commencing in 1964, the inaugural winners were Dorothy Whitely (Lee) and Brian Bowman. Multiple past winners of the Champion of Champions include Christine Matison (Dorey), Paula Parentich, Gary Penberthy, Rob Casey, and Roger Grant.

The event was discontinued after 1995 and is now set to be reintroduced at the conclusion of the 2023-24 Summer League season.
