

## Grass Court Availability in Detail

**Golden Guidelines:** If we want to have the maximum number of grass courts available AND maintain them at the excellent standard they are, we all need to do our bit. So.....

- Please don't play on the courts until the dew has dried in the morning as this damages them. They are usually dry by 9.30am.
- If a net is down, please leave it down and play on a court that has the net up. The nets are down on courts that need rest.
- You may put up a net on a resting court **only if** there are no other grass courts with a net up available.
- To ensure even wear and tear on courts, you may be asked to move to another court.
- Please generally use the courts furthest from the clubhouse first.

Many thanks for your contribution to keeping our Courts in top shape.

### Mid-April – End July

Day	Time	# Courts Available	Comments
Monday		4	Bay 5 open. All other bays are closed for mowing, shifting and fertilising
